

Doily Snowman Craft

What you will need:

Doilies- the same or different sizes

Buttons or other round objects to represent buttons

A sheet of blue paper, other coloured paper if preferred

Coloured paper for decorating

Scissors

Glue stick

Marker pen, textas, pencils or crayons

Goolie eyes (draw if preferred)

Choice of other materials

Method:

- 1- If you are using the same size doily, cut one to make slightly smaller.
- 2- Glue the doilies onto the blue paper, bigger one on the bottom with the smaller one on the top. (Great learning opportunity for smaller ones to point out which is which)
- 3- Stick the buttons on, you could also draw them on, use other materials or use pom poms.
- 4- Make or draw a scarf, if you had some spare material that would be great also.
- 5- Last but not least decorate the head; make a carrot nose, create a mouth and add some eyes. You could also add a hat.

Let the children use the materials they like and help them if needed. This activity can easily lead into other aspects of your program or vice versa and could lead to great observation taking opportunities, which can be expanded upon.

Learning Outcomes:

Learning outcome 1: Children have a strong sense of identity

Learning outcome 4: Children are confident and involved learners

Learning outcome 5: Children are effective communicators
