Certificate III in Early Childhood Education & Care

Enhance Training, part of Hessel Group, delivers state of the art 'student centred' courses within the Early Childhood and Disability Sectors.

Certificate III in Early Childhood Education & Care

The Certificate III in Early Childhood Education and Care focuses on the knowledge and skills needed to plan activities in a learn through play environment.

Learn how to support children in achieving their developmental outcomes as individuals and in a group situation.

This qualification will provide you with the ability to work in a range of early childhood education settings within the requirements of the Education and Care Services National Regulations and National Quality Standard. Allowing you to learn how to implement an approved learning framework to support children's well being, learning and development.

You will gain the knowledge required to design and implement a curriculum within an approved learning framework as set by current regulatory bodies.

Elective units

CHCPRP003	Reflect on and improve own professional practice
CHCDIV001	Work with diverse people
CHCECE012	Support children to connect with their world

Requirements

Students must successfully complete a Language, Literacy and Numeracy (LNN) assessment and suitability interviews to secure their enrolment.

A Child Related Employment Screening, First Aid and Safe Environments Training is mandatory to undertake student placement.

Recognition of Prior Learning (RPL)

In some cases, prior learning and experience can be used as evidence of your current skills and knowledge. Information about how to apply can be sourced by contacting our office on (08) 8462 0222.

Studying externally

This is a great choice if a class based structure doesn't work for you. As a more independent method of training, you will have the flexibility to study when it suits you and your schedule.

You will still be required to complete assessments within the agreed time frames, requiring you to manage your workload around your lifestyle and commitments.

Student support

Our experienced Trainers and Learner Support Officer can provide individualised support via email, telephone, face-to-face appointments.

Get in touch

Contact Enhance Training to speak to one of our Course Advisors for more information about this course and our enrolment process.

As we are focused on your learning and employment outcomes, we will be ready to discuss how we can help you take the next step towards your new career.
